

Application of admission

Turnverein Emsdetten 1898 e.V.

- 1) The management determines the membership fee, the admission fee and the financial contribution. The membership fee consists of a basic fee and a division fee.
- 2) Is the member of the association part of two or more divisions, the respective division fee is added up to the basic fee.
- 3) The transfer of one division to another requires the member to notify the head of the division and the office.
- 4) Reduced membership fees due to discounts have to be submitted and proved by suitable documents. The management decides about the classification of the discount.
- 5) By signing the application of admission the applicant agrees with the Turnverein Emsdetten 1898 e. V. saving the data electronically for administration and booking purposes under consideration of the data privacy act.
- 6) The application of admission has to be in written form. In case of underage applicants the agreement of the parents or legal guardians is necessary.
- 7) The applicant is in charge of notifying the office in case of altered personal information as soon as possible, especially while claiming reduced financial contributions.
- 8) The payment of the membership fee occurs every month or quarter of the year, depending on the division, via SEPA Direct Debit Scheme. If the direct debit cannot occur due to reasons the member has to explain, this member is in charge of all needed service fees.
- 9) A member can potentially be suspended after a disciplinary hearing by the main committee, if said member heavily infringes the interests of the association.
- 10) The amount of the financial contribution for the membership fee results from the subscription scale of TV Emsdetten 1898 e. V. Alteration of the membership fees will be considered at the next date of payment.
- 11) Quitting is only possible at the end of each month under consideration of a three month long period of notice. The notice of resignation has to be sent to the association in written form.
